

1. **In retrospect, what could you have done better to reduce the time you spent solving this homework?**

I spent too much time on the stuff that was not taught.

I can save these questions after the lectures.

2. **What could I (the instructor) have done better to improve your learning experience in this homework?**

Maybe read the textbook before the lecture.

3. **What do you know now that you did not know before beginning the homework?**

I learned how to write the weakest precondition.
